SAVER offers special kits prepared for family, businesses, pets, car, office, and school.

At SAVER we have 96 hour kits and emergency preparedness gear available, to help you and your family prepare for man made and natural disasters. Our 96 hour kits and supplies are simple to understand, meet trusted guidelines, and are practical to use and store. Saver kits are also designed for elderly persons living in high rise condo style buildings to give them life saving food, water and communications when they may not be able to leave due to power failures. The emergency preparedness experts at Saver, Inc. have designed Saver 96 hour emergency and survival kits to contain the most reliable emergency food resistant to extreme temperatures, water, shelter, sanitation, lighting, communication, and search & rescue supplies available with a long shelf life. The reasonable cost of Saver Emergency/Disaster kits make them a must have no matter where you live.

Saver kits can give you peace of mind when your environmental situation starts to decay.
